WATER WORKS EXCURSION CAMP

2012

Dear Parents/Guardians and Excursion Participants,

Welcome to Excursion Camp! We are looking forward to a great week. To ensure a fun and successful week, you should remember a few things.

All activities are outside, so sunscreen is extremely important. In an effort to maintain your child's safety, please remember to apply sun block and insect repellent to your child on a daily basis and to have campers bring insect repellent and sun block to camp daily with their names on each item. Please wear tennis shoes and bring a change of cloths. Due to the nature of the camp, your cloths will get dirty.

Every effort has been made to plan activities that fit into the schedule listed on the following page. In the event that the camp will arrive late, the counselors will contact the Community Center, and we in turn will contact all of you at your home phone number. If you are concerned about your child's arrival time, please feel free to contact the Community Center at (703) 248-5027 to see if the camp has returned. Please note the counselors make every effort to have your child back to the Community Center on time and to communicate with the Community Center when they are delayed.

If you have any questions, please do not hesitate to contact me at (703) 248-5307. We hope you will enjoy the various activities we have planned for your child.

Sincerely,

Amy Maltese

Program Supervisor
